

Hindawi Computer Science Journals List, Review Speed, Impact Factors, and Open Access Fee
Written by [Mohamad Ivan Fanany](#)

The following I listed some of computer science Hindawi Journals that are relevant to our current works at Faculty of Computer Science, Universitas Indonesia
All links to the paper are given in the Journal Names. I also computed the average on each column. Open Access Fee for Hindawi Journals varied and for some even free.
Unfortunately, unlike Elsevier and Springer Journals, not all Hindawi's Journal are indexed by Scopus (which is a must requirement in our university and government)
I computed Average Impacts per Total Review Speed in Months. Hope this would be helpful.
